# Rules

Guests are kindly asked to observe some simple rules governing Allsenses SPA and the Fitness area, to follow current sanitary regulations while respecting everyone's health and well-being

## 1. Public opening hours and guests etiquette

- The SPA and fitness area are open by reservation from 02:00pm – 08:30pm. In the morning our wellness centre is open for spa treatments only and upon reservation/availability. With a maximum time of use of 1 hour per day. It is at the discretion of the SPA staff to consider staying past this time slot.
- Reservations can be made directly at the hotel reception, SPA reception (floor -1).
- Children under the age of 12 are only permitted to enter the pool area from 10:00 a.m. to 6:00 p.m. if **accompanied by their parents**.
- Children **under the age of 18** are never allowed to enter the wet area (sauna - steam room - salt cabin - herbal tea room - water paradise).

## 2. SPA Rules

- Throughout the SPA , the tone of voice should be moderated, and silence should be respected where necessary and in the presence of resting guests.
- In the pool area it is **forbidden to: RUN and DIVE**.
- In the wet area:  
With a bathing suit, you can enter the sauna and steam bath. Please keep in mind that it is also acceptable to experience the wellness circuit without a bathing suit, as is common in wellness centers and Nordic cultures.

## 3. Sauna and Turkish Bath use times

- The Sauna should be used for a minimum of 5 minutes and a maximum of 15 minutes, depending on your physique and what you are used to. For the steam room, times can be extended by 5 minutes.

## 4. Massages and treatments

- Massages and treatments should ideally be scheduled at least 2 hours ahead of time. We recommend that you arrive 10 minutes before your scheduled appointment time. Arriving late will shorten the duration of your treatment because it must still end at the scheduled time to ensure timeliness for the next guest.
- Massages and treatments **must be cancelled at least two hours before their scheduled appointment time**, or they will be charged in full.

## 5. SPA Entrance

- Guests are asked to enter the SPA in bathing suits and slippers. Go to the SPA reception to receive your personal kit, which includes a disposable bag, bathrobe, and towel.
